

Anticipating on Coming World.

2015/10/20.

[1] : **Recognition on the now world**<long citations(links)are abbreviated here>.

(1)**USA**<CIA-military industry complex≡cia-MIC>had become **NAZIS reincarnated nation**.

NAZIS was supported by US capitalist,and the defeated officers with the technology was imported to USA(op Paperclip),which was to build cia-MIC.the **US dictator=Rockefeller**.

*Jew was destined to be **revolutionist** by God<left>,NAZIS is **dog** against them<right>.

Israel was historically conspired to corrupt Jew by Euro-US noble & wealthy elites.

*Eisenhower warned their(MIC)emerging of atheistic,ruthless,and insidious in 1960.

Note he,Rockefeller and major race in USA is not Anglo Saxon,but German American.

(2)They built **invisible fascism network** of anti-communism in whole NG&G USA.

This operation was not only US,but also the world<UN,and almost nations>by the agents.

JFK,and M.Luther etc may be victims by them.Microsoft is typical grown as national strategic corporate=**operation-ism the secret**.

NAZIS Basic Ideology=Order made philosophy of Hegel by Preusen feudalism.

* Nation & people are slave exploited by elite<US global exploitation policy against>

* **Perpetual war strategy by setting up enemy**=cia-MIC war strategy against the world

* mind operation tech by **deception and threat** developed by CIA-institutions in US

(3)40 years ago,Rockefeller's Exxon-Mobil knew the mass consuming would cause **climate change**,and conspired to hide **the fatal fact** by ruling international orgs etc in behind.

The deadly fact now becomes {**more than 80%C02 cut & Arctic Cooling geoengineering**}

These would be dominant ruling in coming world with **destroying food & infrastructure**.

(4)**operation ENDGAME<now situation>**.

USA had become big show-wind of economy success,only which have ruled people's mind.

Beside economy concern,**9/11** was conspired to make war in Middle East,now both are main concern for global people with neglecting fatal climate crisis by **commercial mass media**.

* Alex Johns predicted coming **mass human extermination** by the elite's global ruling.

Then elite would survive by high tech.Is it **nuke war** ?.TPP is op ENDGAME in economy.

(5)EU are US followers,only Russia,China,Iran,..are heretic,but helpless against climate.

China-Japan are substantially financial slaves for USA,Russia & USA are oil nations.

(6)Economic growing expand both **debt—bond=O-sum theorem**.The top point of market saturation become **debt blast**.Now USA transfer debt to nation without bankruptcy and has been entirely **printing money** to supply bond & stock markets toward the fake booms.

Now real goods economy becomes **deflation in industry and inflation in resource goods**.

The former cause **bankruptcy & jobless** in industry and the latter cause **inflation** in life.

Global capitalism facing both dilemma in **market saturation & climate crisis** could not be salvation,but **more death reapers** for people by their **more eager,but vain efforts**.

[2] : Then what to do ?,We shall specify **trouble portions** and begin **mending** !!!

Author employ science for nature,while for humanity,he do **religious teach**.Those may be not his opinion.

Evil origin are **GDP1-2-3:USA,China &Japan(slaves of US)**of Godless nations.China lost national Integration ability(riches escaping own nation),Japan is also in similar failure. Such as US dictator Rockefeller,and the big fake of Volkswagen,**German ruling by narrow mind with strong delusion has been destroying the world**.The world history may be conflict between **Jew the liberator** VS **German the dictator**,or **theism** vs **atheism**.

In 2015/6/18,the Pop declared encyclical toward the world people,which accused **ruthless Capitalism & Climate hiding**. Former atheist author now had turned theist due to science <http://www.777true.net/Proof-on-God.pdf>.

As hardware,trouble portion and the mending are almost known<but big program needs> <http://www.777true.net/Life-Assurance-by-National-Strategy-in-coming-climate-WAR-TIME.pdf> http://www.777true.net/Part_6_non-carbon-Energy-Engineering.pdf

Problem is software, **mind change** of global people deeply being in **business as usual**. Unless **global revolution**,we could not be saved,however”**Revolution is more terrible than defeating war**”. It is which that has been intercepting **the mending toward survival**.

(1)Christianism,Islamism,,,which warn **the doomsday of fireball earth**.It is predicted also in science.The true meaning may be penalty for **no repentance(revolution as mending)**?!.

* Goethe once revealed **original aim of Christianity was political revolution**,however **the defeating tuned to be moral teach**.So Christianity is so called the **Liberation Theology**.

* Once author-himself considered the penalty somehow reasonable that human being is so haughty enough to **destruct all the earth** due to their outrageous greedy.But salvation declaring by the encyclical 6/18 tuned and confirmed him to deny the thought.90% of the Bible structure(**gospel**) may be teach on **repentance**,while 10% is **apocalypse** the prophecy of **doomsday** for **failure in repentance**.Thereby God order may be interpreted.

Do repent(revolution as mending)!!.

地上に予言者を介して宗教が天下るのは地上混沌の地域時代(過去の中東).

(2)It is **business as usual** which has been causing this world toward **extinction hell** !!。

The global power center=**Bilderberg**<EU+US noble & wealthy **hereditary**>+Rockefeller. It is indicated in [1] : **Recognition on the now world**.This is **global rightist center**. Almost global citizen of **99%** are their **employees**(subordinates) in institutions,corporates, and governments ruled by them.

(3) **The 99%'s mind change with global solidarity could determine our future.**

Above all, the 99% is overwhelming, so advantage in **establishing major party** is evident for them. The key for making solidarity may be **ideology consensus**. Separation between politics and religion is historical conspiracy by the rightist ruler. This was a cause of religion defeating, which was indicated by Goethe.

(4) **The implementation needs big program !!.**

A change never be accomplished without some chaos <disagreed peoples>.

An **optimized plan** is necessary to lead the process in **big change** to **climate war time regime** from **business as usual** at now in order to **minimize unnecessary chaos**. As for people, **saving tomorrow life** is at first, while elite fear for status decline <**anti-revolution**>.

I : At first, scientists declare inconvenient fact = specifying trouble portion!!

Once **specified trouble portions**, the **optimized mending** would be determined **unique**.
IPCC's injustice by unrighteous interference by the oil merchant.

<http://www.777true.net/IPCC-the-injustice.pdf>

Below **II** (1)(2) are entirely against **IPCC's** position of substantially **nothing salvation !!**.

IPCC's position in (1): allowing more 1°C rise <Copenhagen 2009>

IPCC's position in (2): substantially neglecting Arctic Methane Risk.

Just do NOT tell them the monster exists: The Arctic Methane Monster

<http://arctic-news.blogspot.jp/2013/10/just-do-not-tell-them-the-monster-exists.html>

II : Specifying trouble and possible mending method <more R&D is necessary>.

(1) **Emergent more than 80% CO2 cut would limit temperature rise about by 0.2~0.3°C.**

(2) **Emergent Arctic Cooling engineering could prevent Methane catastrophe.**

* **Save the Arctic sea ice while we still can!** 2015/03/06

<http://arctic-news.blogspot.jp/2015/03/save-the-arctic-sea-ice-while-we-still-can.html>

Fortunately researchers are increasingly confident that a stratospheric aerosol haze, produced from sulphur dioxide, SO2, could provide significant cooling of the Arctic for modest expenditure of the order of a few billion dollars per year. This type of cooling could be replaced by cloud

brightening using ultra-fine seawater droplets when the technology is ready for large-scale deployment within a year or two.

Note world military budget= 1.7T \$/y, World oil payment= 26T \$/y !!

Ⅲ : Assurance on Tomorrows Life<This is big program in W operations>

Mending earth trouble(CO2 & Arctic)by world troop and Peoples life assurance.

No bomb and missile,however climate crisis is a **kind of war**,which needs world GHQ ruling.

Then the highest priority is **saving foods and energy**.Massive **emigration** might need ?!,

If once nation declared wartime regime,what would happen ??

What would happen when people were forced to **change** in life & production at a moment?

Many decisive necessity would cause many inventions in a short while.!!

This could be **strong merit of declaring wartime regime** by nations in the world.

A trial report on Life Assurance Plan under climate wartime regime.

<http://www.777true.net/Life-Assurance-by-National-Strategy-in-coming-climate-WAR-TIME.pdf>

The aim of this report is **verify the possibility** of life by more than 80%CO2 cut,and of

peoples life assurance.Yes it is **downsizing your way of life**. Then we should find

another life's purpose(**new culture**) instead entirely making rich way of life style in **massive oil consuming civilization**. **Then imagine glorious victory in coming century !!!**

Non Carbon Energy Engineering.

http://www.777true.net/Part_6_non-carbon-Energy-Engineering.pdf

Wind(and marine wave power) turbine with hydrogen gas generation and reserving by organic hydride method might be best cost performance.Those details is to be described hereafter..Note danger degree of hydrogen gas and ordinal **propane gas** is told same in home usage.Electric power is difficult to reserve,while the hydride method is possible.

Above reports by author is mere a trial and **far from completion**,so emergent and massive cooperating R&D is decisive at now !!!

IV : **Problem of Anti-Revolution by USA.**

A **rapid adaptation** toward global "W operations" on {80%CO2cut & Arctic Cooling} could not be accomplished without **instantaneous global war time declaration**.

Now we face imminent full ice vanishing in summer Arctic,which could cause dangerous.

The global mending=revolution,so it would be fear for established elites decline.

Revolution is more terrible than defeating war.Now situation is nothing,but this !!.

Unless **their resistance**,climate fact and the mending would have already begun !!.

Note in the holy scriptures,**Satan** is defined as those who face own **status decline** from top position.In actual history,there is nothing so cruel something than **class struggle**.Haughty Satan is told to be created from **smokeless fire**,while Adam was made from **clay**.So he rejected God order to keel down before Adam and was thrown to hell from heaven.Then he pledged **revenge against mankind and God**.If you are told to down salary,working position or livelihood level,you would resist(Also climate mending is downsizing your way of life). Especially secret,but evident task of those **top position** is entirely **conspiracy for preventing own status decline**.Those may be making nation regime without their status decline,which nothing,but **anti-democratization,anti-revolution** by rightist regime. Their history is awful enough that they has been entirely endeavoring in those task by focusing their knowledge and wealth.The typical may be ,**Russian Revolution,NAZIS** and **Israel**. Now America is NAZIS reincarnated nation with Rockefeller 's substantially private cia-MIC. **Policestate-nization** is most threat against almost people who demand justice and equality. However their weak point is minor family,so they has been fearing mass people.Their endeavoring for **depopulation plan** is not normal.It is **this evil** that causes you hell.

*For the New World Order, a world government is just the beginning. Once in place they can engage their plan to **exterminate 80% of the world's population**, while enabling the "elites" to live forever with the aid of advanced technology.For the first time, crusading filmmaker ALEX JONES reveals their secret plan for humanity's extermination:*

Revolution is more terrible terrible than defeating war !(F.Konoe Japan Emperor family).

<http://tamutamu2011.kuronowish.com/konoejyousoubunn.htm>

No word could be decisive,but this one that reveals fear mind of ruler.Japan monarchy monarchy regime was established by UK operating revolution(1968).

<http://www.777true.net/JapanUK.pdf>

In the event that I am reincarnated, I would like to return as a deadly virus, in order to contribute something to solve overpopulation.

Rockefeller Depopulation Plans Exposed.

<http://www.infowars.com/three-articles-for-mass-distribution-rockefeller-depopulation-plans-exposed/>

Such **evil** was prophesied by the Bible. In the below you could see what Goethe once indicated. That is, original purpose of Christianity is **political revolution**. **Jesus Christ** is none, but **martyr in political revolution**. Thus devotion to revolution is a way to heaven. As for historical validity of the Liberation Theology is here.

<http://www.777true.net/Liberation-Theology-the-Historical-Validities.pdf>

The Bible, Ephesians. <http://www.bibleetnombres.online.fr/biblekjy/ephesian.htm>

6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. **6:13** Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand. **6:14** Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness; **6:15** And your feet shod with the preparation of the gospel of peace; **6:16** Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.

postscript :

At first, we must start verification on the true or false. Once those determined, the optimized countermeasure would be determined uniquely. If we would conserve now regime, **2020s** would be more radical climate era. About by **2040**, we would have faced extinction hell by fireball earth caused by Arctic Methane catastrophe. This is certificated by ancient historical record of Permian and PETM methane catastrophe. Now we have not enough time left.

Another extinction possibility is **nuke world war III** between **USA and Russia**. Both are same in oil merchant ruling, so their deed would be **W suicide**. Now USA (also Japan) may be end era of **decadence**. On the other hand, Putin Russian becomes rich to be also decadent. However both military elites would hate the war without hope of own survival.

Not only recent Japanese, but also recent elite Americans and Europeans, I feel them something **powerless** for **truth, justice, and equality problem**. Then what had happened in them. Following might be an answer. It is very awful matter. People must be awoken against extremely insidious ruling in now world, who has been entirely making you incompetent..

* **Hitler's marvelous Predictions**<Following is authors translation from Japanese>

Emerging new slave class of non-adult ensemble.

http://inri.client.jp/hexagon/floorB1F_hss/b1fha400.html#04

*What feature will future society reveal !, Comrade gentlemen. Let's tell you. At first **elite aristocracy** would appear by survival struggles. Then also appear "eternal non adult group", that is, new middle class, ignorant public, and new slaves who serve. And top on all of them, new Aristocracy would have been established . Some special leading person would be. Thus, by hegemony struggling, new regime would be established in inner and outer side of nation. Also east region become giant experimental one,and then new European social order would be implemented (Words told to Rauschning by Hitler) .*

* **The Ghost of NAZIS.**

http://inri.client.jp/hexagon/floorA6F_hc/floorA6F_hc.html

Eternal non-Adult Ensemble<Hitler's prediction

:Chap5:East region become giant experimental one>.

http://inri.client.jp/hexagon/floorB1F_hss/b1fha400.html#05

*All right, now I will explain you Hans, what I told you on **Eternal non-Adult Ensemble** is those who could not become adult till they die.. Such case never be in normal and severe society. Thereby there would be abnormal society where children are grown up by extremely easy way, but not severe one. In such society, children are grown up by treating like a pet, but could not grow to be real adult even by adult age.*

Poor son would be disciplined. It is they who could bring wisdom to the world !!

<Jew merchant maxim by authors translation from Japanese>

<http://www.aoiro-odawara.com/news-web/rensai/hiden.htm>

Such power never be generated in those children who are on easy rail way toward stable future. To accomplish great task can not be in ordinal easy effort. Such power comes only from strong desire with rebel spirit toward up by tough mind disciplined since infant age.
