

## **Ugly Relation between Japan & NAZIS USA against Truth,Justice,and Humanity.**

The most supporting nation to NAZIS USA is Japan author's nation. Thereby, both USA and Japan must be changed to **not upside down nation**. This disclose **NAZIS USA the Traitor against God** and accuse own incompetent colonial nation to encourage folks. 2018/9/30

### **[ 1 ] : Actual case study on suppressing liberty of speech & writing(author).**

Here are author's actual case study caused by CIA in Japan. Why CIA ?. Author was once Hewlett Packard Co employee. Once they became hatred against him due to political reason. Since then they has been interfering his activity not to debut the world, so he has substantially been political prisoner in **the outlaw** city Yokosuka (~Japan) the US 7<sup>th</sup> fleet navy base city in Japan.

The cause and result of outlaw are explained in later,

(1) **Fatal Science Facts Hiding** by illegal rejecting on global oriented publishing in journal.

<http://www.777true.net/Math-Physical-Science-Library-List-in-777true.net.pdf>

This is damage not only author, but also the world who need **Truth Awareness !**. Especially note a science truth is absolutely independent on who(author) disclose those. These refer decisive ideology on *religion to economics* the hidden secrets at now by the evil establishment.

#### **\*Elementary Particle Physics.**

American physical society know the truth and has been hiding those, which is collusion with CIA. Trump presidency is not guilty, however also they must take the past responsibility. Author did too many important and fundamental works especially in theoretical physics, so general people may have become not to believe him what he told. For an example, so called SSC the 120 billion\$ elementary particle device construction was aborted in 1993 autumn. In the spring, he had contributed a thesis causing completion of elementary particle theory. Since then 4 Japanese elementary particle physicists awarded Nobel prize as bribe for shutting up the truth. Sweden the emperor nation is deadly betrayal against sacred science truth. Recently, those elementary particle physicists were sued by author in criminal and civil trial, however defeated due to ill prosecutor rejection without evidence confirmation by expert testimony and by lie testimony by accused expert in civil suit. Now absurd non useful desperate elementary physics study has been going on by high national budget consumption not only in Japan, but also in the world.

**Politician and administration officer must survey the truth to save non useful budget.**

#### **\*The theory(Logic and Quantum Gravity Dynamics=QGD)revealed following the truth.**

i : Creation Universe from Nothing toward Parallel Running Universe(universe is not one, but  $\infty$ )

Nothing world is also **nothing physical law**, which enable the creation by **the Almighty**.

However once **observable matter** was created, then the **non-contradiction** property was to rule with mathematical law expression (quantum physics). Non-contradiction the logic law is too evident that there can be nothing simultaneous realization of "event A and *not A*" in matter world.

That is, the logic is to establish law that **a cause is to generate a result** (this is to become **a math**)

ii : Matter (Universe) Evolution from hot Big-Bang to now the cold universe by the theory (QGD).

This is to decide property of all elementary particles, mass generating mechanism by interaction between particle and gravity field, that is, **all that elementary particle physics**.

iii : Total Energy of Universe is Zero <This is not new finding, but very important confirmation>.

Also other conservative physical quantities are all zero by  $\pm$  symmetric cancellation.

**0 = Positive Matter Energy – Negative Attraction Force (universal gravity).**

☞: If you could create attraction force field, then you can create also positive energy.

## (2) Cause of Fluid Dynamics Solution Instability in Weather and Climate Forecasting.

Concerned Academy society has been being nothing comment on following serious fact.

At now, weather and climate forecasting have become serious for our dairy life due to climate change acceleration. Then so called solution chaos-Latinization (Instability) in long time forecasting has been considering due to non-linearity of the equation in the past, however it was found not correct. The actual cause is **diffusion** in fluid collision, which become evident when you observe and think **smoke movement** in fluid flow. Those are to become more low density as time goes on, then at last those are vanished to lose fluid trajectory. This mechanism was proved mathematically as so called entropy increasing by heat generation due to friction force.

Now academical society will not allow to hear what author explain. This theory was not contributed to journal, but up loaded in website 777true.net. In the actual application, the mechanism become more serious in not only long time prediction <ensemble averaging method>, but even **in short time prediction in fluid strong collision (sairing) case such as warmer air mas and that of cold with strong temperature difference. Such weather become wild and dangerous.** Then forecasting become harder with larger fluctuation !!. Imagine smoke flow with strong sairing would be vanished in a short time. That is, vanishing fluid trajectory !!.

Also in this case, so called **ensemble averaging method** would be useful. Author once concerned this serious problem, however he is not professional specialist on fluid dynamics.

\* Everyone know **macroscopic climate random fluctuation**, then the cause is due to additive property of micro fluid Instability. Climate variable such as global temperature has two face of cabalistical long years trend with big random fluctuation at each year.

\* This is solution for **the Millennial Problems** by Clay Research (super computer maker) Co.

Poor author without decent pension wish the prize money. Also SSC should compensate.

Thus it is USA who has been causing his life without decent money. Donation Please !.

(3) **Now climate scientists has become more silent as climate goes more wild.**

It is *upside down*. Then *something evil must be working on*. For recent years, author has been accusing climate scientists who will not declare deadly climate fact, but has been being silent. It is betrayal against tax payers people. Especially in summer 2018, climate had revealed its more wild feature by strong heat wave in long days, strong flood and more frequent typhoon.

**\*Revealing evident climate worsened actuality caused suppression on the discussing**

As the consequence, author became stronger warning messenger. Then gang guard-men of academical society (elementary physics group and ....., climate is not certain) has become active to invade recently authors home to destroy tools and documents. CPU and software were stolen and CPU trouble has become more frequent. Police will not act even by authors frequent calls. Communists group and some academic group are connected with hatred & money in Japan.

(4) **Economy Network Dynamics and *0-Sum Theorem in Debt and Bond* a Scandal.**

(a) **0-Sum Theorem in Debt and Bond.**

As for economics, there are many unreasonable taboos not interfere the pultocracy regime. Someone called the established economics as *ghastly science*. It is right. Without math, you can prove the theorem, because those are one to one relation. You never imagine debt without creditor, also bond without debtor. *The highest priority theorem is none in established economics text.*

<http://www.777true.net/Quick-Guide-to-Economy-Network-Dynamics.pdf>

All that economy numerics are written in all **account books**, all of which are closely related and expressed in math equations. The theory has nothing model and ideology (real science). This is to become **exact Economics Simulator Machine**.

Buy the copy right !! It is entirely upside down the author had been out of the economy.

(b) **Basic Income the Stabilizer without Troublesome Big Tax Rise.**

Unconditional national payment to people's minimum life is defined Basic Income. Then company payment can be decreased by Basic Income. However due to jobless rate, adjust tax rate. It could not be so big. While someone tell lie it is big tax increasing. Attacking against Basic Income may be a conspiracy not to make laborer easy for political joining without care on conservative political survey range.

(c) **Climate-driven growth would generate \$ 26 trillion**

<https://usbeketrica.com/article/une-croissance-tournee-vers-le-climat-genererait-26-000-milliards-de-dollars>

\$ 26 trillion would promote **Climate War Boom** in the world(author writes).

Effective climate policy simply demands change in business in order to evade global extinction.It is also chance to create new business to survive.Thereby these are entirely natural matter.However they now has been being silent on as if it were deadly taboo.

(5)**Academism,Media and Judiciary are United to Suppress Essential Facts.**

(a)**Fatal Academism Corruption.**

Author has been concerning deeply science basic(physics,mathematics,logic).After all,he was always **beginer** who must at first lean and reexamined **1<sup>st</sup> principles**.Then he encountered many suspicions on those and had to rebuild new principle,or modify to be consistent.Thereby,results could not be small,but big to quake academy society.While he has been being hated by USA,so interfered academy societies agreed to hide facts in order not to debut in the world.Thus crooked science had begun not only in Japan,but also USA and EU. However popularization of internet had turned the situation toward disclosing facts.It is owing to USA technology development.

However it caused the secondary crisis of author to encounter more interferences to his life and work.No sufficient money,friends,support,security,but noising in sleeping time to intercept brain neuron refreshing and in day time time to intercept focusing works.

(b)**Fatal Judiciary Corruption**

Since joining Hewlett Packard Co,author fundamentally had become no security in law protection.Describing many events are annoying,but the fact is nothing arresting criminals.

Recent important event are 2 law suits on injustice by no stopping useless elementary particle researcher by expensive national budget.Criminal suit was rejected by prosecuter without evidence verification by expert,the other was defeated in civil suit by lie testimony of accused expert.Both the prosecutor and judge may have known injustice in own deeds. Higher judicial authority was order to crook both trial by CIA.It is famous that in Japan judiciary,it is not rare that they crook justice in trial due to political reason relating USA.

(c)**Recent established media had become strongly corrupted.**

The most fatal event is **election with fake voting machine** by Musashi Co,of which owner are related with present **prime minister Abe** the most corrupted one after the war. Established media never refer voting machine,but nonchalantly has been applauding him in news.Especially news time on singular criminal and scandal in sport community had become wider and wider as year by year.That is,serious necessary news time is decreased,

while trifling one is increasing. [Broad casting companies corruption growing](#) are altogether [and synchronous due to secret conducting by someone's insidious conspiracy](#).

The owner right of TV broad casting electromagnetic wave should be finite interval to examine their justice and fair with price competition to allow new joiner.

## [2] : **Police In Japan is American Police, but not Japan one.**

<<**Outlaw Brutality by US military by Regional Treaty between Japan & USA**>>.

### (a) **US Naval Base and their Brutality.**

In authors childhood, one of his first learned English might be *Yankee go home*. At that time before 1960, most Japanese were poor, but honest, so they accused brutality of occupation military in Japan. [Sunagawa base struggle](#), that of Okinawa the big military island, strong disturbance noise by jet fighter in Astugi and [muder by William S. Girard](#) are famous events against the occupation. While they are extremely nervous against anti-US military movement because their livelihood entirely depend on the occupation with absurd good treatment by obedient Japan government. Arrogant navy sometimes did criminal injustice against insulted, but obedient Japanese. In behind, insidious they leaked poison to marine, events indicating human body experiments, suspicious death of anti-navy activist. The most bad sleeping disturber against author were related with the base employees. In many aspects, naval base city Yokosuka administration seems secretly, but intensively cooperate and give good treatment for navy activity. Above all, the most terrific criminal is 3/11 the Tohoku Fukushima earthquake weapon attack in 2011 the recent war without the declaration. Then navy has been known engaging special tasks (such as [sea floor special bomb setting](#)), which had caused fatal synthesized Tsunami attack destroying the Nuke Facility (IT IS THE 3<sup>RD</sup> ABOMs TO JAPAN).

### (b) **The illegal Regional Treaty between Japan & USA.**

Telling this fact is entirely shame of us Japanese who has been entirely obedient with absurd US occupation military in Japan. If another normal nation, this situation would have caused riot against American occupation. This absurd treaty allows abandoning [sovereign right](#) on own governance and occupation military's lawless action against such police governance. As the consequence, nothing police regulation against criminal to author such as political terror of injury (including medical), stealing and destroying by sub organization members of CIA (or military secret agent). After the war, MacArthur military occupation in Japan executed military governance in which their action were all legal law. Then they wished this absurd right after the Independence of Japan by [Sun Francisco Treaty \(1951\)](#).

*Article 1:(b) The Allied Powers recognize the full sovereignty of the Japanese people over Japan and its territorial waters.*

While it is the absurd and illegal regional treaty. This treaty is evidently against not only Sun Francisco Treaty, but also the UN international law.

***Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations***

<http://www.un-documents.net/a25r2625.htm>

*c: The duty not to intervene in matters within the domestic jurisdiction of any State, in accordance with the Charter,*

Note following are all illegal criminal of NAZIS reincarnated USA (NAZIS USA).

\* **2001/9/11** inside job terror toward making false flag wars in Middle East.

\* **2010/** earthquake weapon attack against Haiti the first republic nation by African.

[https://en.wikipedia.org/wiki/2010\\_Haiti\\_earthquake](https://en.wikipedia.org/wiki/2010_Haiti_earthquake)

\* **2011/3/11** earthquake weapon attack against Tohoku and Fukushima Nuclear Facility.

Now some regions in Fukushima has been strongly contaminated by radio activity, so the land utility would be no hope for long times. America must pay compensation by the equivalent worth. Those are war criminal against international law, so now Japan and USA has been in warfare state. Thereby Japanese (the government) who cooperate US military is heavy criminal of treason against national security in the domestic criminal law.

(c) **Lawless Disordered Society Japan.**

Evidently Japan's **Constitution Law** had been broken by MacArthur governance as for the article **1 (symbolic position of the Emperor)** and **9 (abandoning military force and right of making war)**. This extreme contradiction had caused Japan very singular *Lawless Disordered Society*. Once the emperor family prime minister Konoe confessed outrageous upside down statement that **domestic revolution is more terrible than defeating war !!**. In fact, Japan could not win war against USA, but began war by surprise Pearl Harbor attack. No win had been known to Akimaru military study organization by precise war economy forecasting, even though Emperor Hirohito forced to begin war with USA and the consequence was terrible defeat by A bomb attack at Hiroshima and Nagasaki, even though he escaped top commander responsibility of war criminal by insidious MacArthur.

Emperor position was setted once again for **political threatening device** against regime opposers of truth and justice. In order to detect and suppress such real patriot of truth and justice, the *not justice and truth emperor* is nothing, but touchstone to detect. For example, the former Nagasaki mayor Kijima once declared that there is war responsibility in emperor,

and he was shot by right wing gang.

Article 9 was destroyed by broke out of Korean war toward rearmament nation by USA order.As the consequence,**mind of soldier had terribly crooked to be treason against nation people**.In 1985/8/12 ,airplane secret attack had caused 520 passinger died.The reason was to change nation people conscious to the previous war which had been acting as strong hatred against military for long time. At that season of 8/15 day was that of retrospecting the miserable previous defeated war in the journalism.Thus media news was changed from the retrospecting previous war to that event at that season,

These insidious,but strong evil was caused by the NAZIS reincarnated in USA in order to make Japan complement nation for USA in military,goods products and finance(about 7trillion \$ is not payed back).This is nothing but silent,insidious and strong recoverization of ancient fascism regime before the war with **Emperor and with military**.Both were once had destroyed own nation.

(d)**All was due to UK and USA the imperialism.**

<http://www.777true.net/JapanUK.pdf>

To tell for the beginning,Japan emperor ancient regime(1868)was conspired by UK imperial. About 200 long peace years of *Tokugawa* regime was turned by local regional power of *Choush* and *Satsuma*,who once tried to exclude UK and USA fleet ,but defeated in local wars and **betrayed to be cooperator of UK and USA** the Anglo Saxon ally.It was their power who turned *Tokugawa* regime by support of **Thomas Glaver** the UK weapon merchant who bought second hand gun of the civil war in American and imported to Japan.Established Kingdom nation government took **growing policy of wealth and military** by support of Europe and USA.The modern militarized Japan became cooperator or complement nation in Asia region toward assist Global Ruling Strategy of **UK Imperialism by making war with Shin, World war the 1<sup>st</sup> and Russia(toward Russian Revolution)**.The arrogant winning war momentum were going on toward making war with USA,after all,which had caused going down into colonial nation of USA at last.Thus imperial regime of Japan is nothing,but worshipping *Satan(the upside down)*.**Foreign nation leaders accusing Japan war-criminal in world war the 2<sup>nd</sup>** never meet the emperor family at the palace in Tokyo.

**[ 3 ] : American Leaders and Their Terrifying Political Psycho Environment.**

Strong mind discuss *idea*, average mind discuss event, and weak mind discuss *people*.

.....Socrates the ancient Greek Philosopher.

This is report on nation where serious matter become **upside down** due to evil ruling by deception and violence. Attacking person non favorable frequently employs deception. Now America is NAZIS CIA nation which should be defined as follows. At first, their feudalism ideology are entirely only for the purpose of conserving the ancient regime.

*\*Nation and the people are all slaves to work for hereditary nobility supremacist,  
\*Setting enemy for perpetual struggle toward hegemony winning and averting hostility against the ruler.*

Strong mind discuss *idea*, average mind discuss event, and weak mind discuss *people*.

.....Socrates the ancient Greek Philosopher.

(1) **D. Eisenhower Farewell Address** delivered 17 January 1961

<http://www.americanrhetoric.com/speeches/dwightdeisenhowerfarewell.html>

.....

*Progress toward these noble goals is persistently threatened by the conflict now engulfing the world. It commands our whole attention, absorbs our very beings. **We face a hostile ideology global in scope, atheistic in character, ruthless in purpose, and insidious in method.** ..... the military industry complex revealed by Eisenhower .*

(2) **The Movie JFK by Oliver Stone.**

[https://www.youtube.com/watch?v=GSw9sjqYK\\_I&list=PLqFzrmwDlqp3DksJ8PKE3k3mZpDPtGmU](https://www.youtube.com/watch?v=GSw9sjqYK_I&list=PLqFzrmwDlqp3DksJ8PKE3k3mZpDPtGmU)

Also JFK had heard Eisenhower addressing and might have determined his mind to challenge *CIA and military industry complex*, which turned to cause his assassination, Since his era, none could have appeared to try to the challenge, but Trump the trickster. However his success or failure would depend entirely on our massive genuine support of justice, truth and humanity. Now he has been being attacked to **be crooked** by establishment.

<http://www.777true.net/NAZIS-USA-the-Forcing-Injustice-in-Era-of-Having-Revealed-Truth.pdf>

(3) **USA has been outrageous witch hunt society due to NAZIS USA ruling.**

So long as American work hard to get luxury life and to pay heavy tax especially for big military budget without complaining or rioting against **the regime**, they are safe. While, if not so, they would be surveyed and suppressed by police state regime (FBI, CIA, ...). Now era for them may be final stage to complete their ruling regime toward Apocalyptic era of *operation*

*End Game*<global chaos-nization due to frequent false flag terror, wars and to climate collapse the actual EndGame>.Then especially note those **factors of the chaos** are not told its fact,but all fakes in the established society.Thereby it is decisively inevitable of **collision between fake and truth**.Thus witch hunt machine becomes necessary to suppress those who try to announce truth to the vast public.

(4)**Thereby conscience leaders are to encounter evil witch hunt machine.**

Maybe strong survey rance network in USA detect and record person unfavorable.Once their action try to be effective,evil the enemy of people would act toward intercepting action of person unfavorable.Attacking person are making trap(bribe,honey one,...),demagogies(money,sex,criminal,..),finding mis deed in past,threatening by mind controlling,by terror attacking,threatening not against person unfavorable,but his family,friend,colleague,kinship,.....,stealing and destroying against person the target, There are to execute anything possible bad events against the target.

(5)**CIA Theater(History) written by CIA.**

NAZIS USA is **scenario writer** in order to make a history toward their winning one.It is also a **game** between **settled enemy** and **CIA friend ally**(conscious and unconscious agents).

**Thereby they tend to reveal their injustice in encountering history going wrong for them.**

(a)**Mind Control Engineering<the CIA Basic>.**

A cause is to determine a result.However result has many possibility before action.

Thereby those probability is called **person's action character**(it is called also **profiling**).

\* *Wundt's experimental psychology* (**the process theory for Mind Control Engineering**).

[https://en.wikipedia.org/wiki/Wilhelm\\_Wundt](https://en.wikipedia.org/wiki/Wilhelm_Wundt)

*Psychology is interested in the current process, i.e. **the mental changes** and functional relationships between perception, cognition, emotion, and volition/ motivation.*

(b)A history is sequential series of unit process(A cause is to determine a result).

Thereby history before action has many scenarios due to many bifurcating possibility in each unit process.However exact profiling may enable less possible scenarios.Thus in each unit process,CIA actors is to make a cause toward enemy to act to anticipated result.

**These sequence could make anticipated history by scenario writer.**However to tell so, CIA never be almighty.

(c)NAZIS establishing,Israel establishing,USSR resolution,....

Those history might have a scenario before those realizing.Then who wrote ?!!.

(6)Now we must write scenario to make global unite toward final winning.

This is must do work,however too heavy load of he without supporting.

(7) American people must know truth to be liberated from strong ancient regime constrain. Old Japanese has strong fear for emperor due to past severe education for them on worshipping emperor. Similarly American seems to be strongly mind controlled to hate against, or fear on concerning **socialism and climate**, but entirely to admire **entrepreneur regime due to historical big success**. However now era encountering **big failure by the regime** has become calling for flexible thinking **without past taboo**.

(8) **The Upside Down Nation against {Truth, Justice, Humanity} toward Catastrophe.**

In order to survive in a order, {the trinity} is decisive not to destruct the order.

While nation NAZIS the Traitor against God with the Trinity can not help, but encounter disorder toward catastrophe. This is mere a LOGIC the supreme science !!!.

Tell from beginning, a **work** is finding necessity (truth) and supplying it (realizing truth).

While anti-work is inventing fake (crime) for easy gain and encounter failure at last.

Thereby truth is decisive to unite vast workers toward accomplishing purpose (truth).
