

Irresponsible Scientists the Subordinate of Satan ?!!

<what author had seen by concerning them>2015/9/19

At now, what tragedy it is that such they had related with the decision on to live or die of all the life on this earth !!!..So we have to decide whether praying scientists personality growing to adult <fact confession with big repentance> or instead by scientists, disclosing scientific fact by **ourselves** of engineers and students.

If IPCC climate scientists had previously disclosed the deadly climate change facts, the world would have drastically changed <substantially global revolution !> to one with hope on future, however with bitter life. Then there could not be incomplete on what author, not professional climatologist, accused (their fake climate science). **The fact is too**

inconvenient for the regime of now, so they had allowed and ignored our future destruction. It's ridicule and entirely upside down. It is quite similar with the word.

Revolution is more terrible than defeating war by Konoe, Japan emperor family at the world war 2nd time. The scientists might have been trapped by well made **psycho plot** to be manipulated so as to conserve the regime of now. As for this serious problem, they should excuse something justifying them-selves.

Note !!, we have already gotten technical tools to intercept climate hell !!

<http://www.777true.net/We-have-already-gotten-technical-tools-to-intercept-climate-hell.pdf>

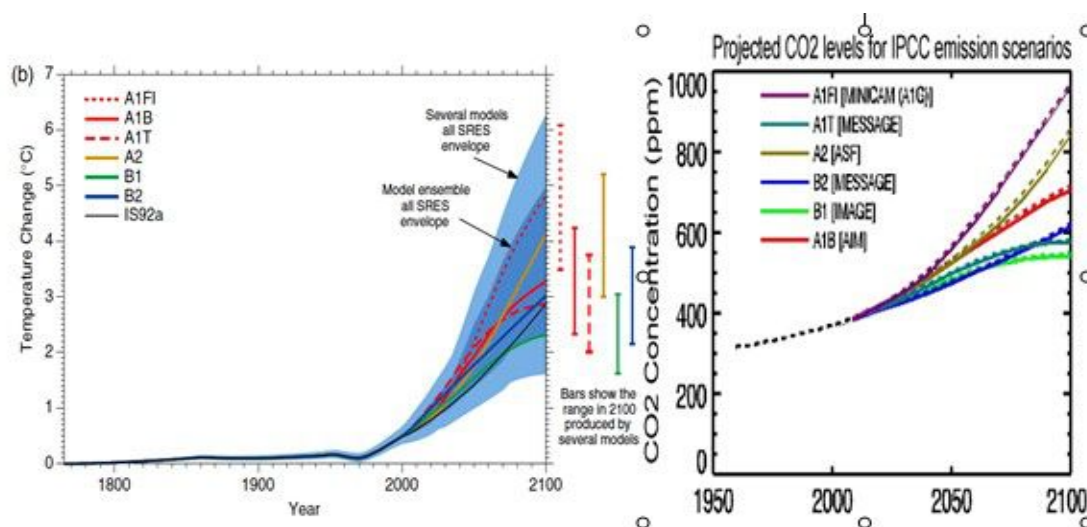

[1]: Nothing temperature recovering to now state in IPCC projection,

(1) nothing temperature down from top temperature = **Becoming on disastrous world!!**

<http://arctic-news.blogspot.jp/2015/03/save-the-arctic-sea-ice-while-we-still-can.html>

Fortunately researchers are increasingly confident that a stratospheric aerosol haze, produced from sulphur dioxide, SO₂, could provide significant cooling of the Arctic for modest expenditure of the order of a few billion dollars per year. This type of cooling could be replaced by cloud brightening using ultra-fine seawater droplets when the technology is ready for large-scale deployment within a year or two.

United by the same concern [7-9]

we are also called "to accept the world as a sacrament of communion, as a way of sharing with God and our neighbours on a global scale.

III. DIALOGUE AND TRANSPARENCY IN DECISION-MAKING

182. An assessment of the environmental impact of business ventures and projects demands transparent political processes involving a free exchange of views. On the other hand, the forms of **corruption which conceal the actual environmental impact** of a given project in exchange for favours usually produce **specious agreements** which fail to inform adequately and to allow for full debate.

* **red character** is by suzuki.

(4) **Now it is only Catholic who could disclose IPCC's injustice !!!.**

Vatican has academic org including climate scientists. Maybe by them, such Encyclical could be written. Influence of the encyclical is decisive also for **ideology**.

(a) **Catholic** the biggest religious org of 1.5 billion believers indicates **the way for surviving** by our repentance, but not the way toward **doomsday** without repentance.

(b) The Bible had revealed coming doomsday (the Johns revelation), when mankind failed to repent. So it is fairly certain that many has been thinking of **own sin** the **haughty and brutal mankind's sin** which has been considered reasonable to invite coming doomsday. Once retro-speculating on mankind history, it is almost perpetual greedy and ugly struggle and wars. (Only by religions, mankind **barbarianism** had been reduced by moral implementation). This kind of view (ideology) could be allowing mankind extinction by climate hell. Since 2007 when author started climate criticism, he has been thinking of a possibility of this ideology. Because many Westerners seems to ignore or allow climate extinction. Then he noticed invisible, but decisive being of ideology the doomsday coming in West world

(c) **Climate hell realization would be defeating also for religion.**

Certainly religion-themselves had revealed coming doomsday, however its realization would be defeating for religion due to failure in mankind repentance.

(d) In authors view, there may be many **atheists** in scientists society.

However they are entirely wrong !!!.

<http://www.777true.net/Proof-on-God.pdf>

Once author himself had been atheist, but above **scientific finding** had turned him theist. Such conversion may be very rare.

<http://www.777true.net/Liberation-Theology-the-Historical-Validities.pdf>

(5) **Scientists Corruption also in elementary particle and WEAPON PHYSICS.**

Scientists may be **new nobility class** in modern age due to their higher IQ.

Author-himself feels such moods especially mathematics and theoretical physics.

However it is their encountering something social problem that would reveal their actual personality. For example, completion of **elementary particle science** is to cause nothing works for them, but except backlog one.

<http://www.777true.net/Troublesome-Illusion-of-Elementary-Particle-Physics.pdf>

Then what position would they take ??.

What author had seen is their declined and corrupted behavior to become **criminal** by hiding and deceiving the fact to conserve public status with income.

(a) In USA, There is suspicion of developing **pure hydrogen bomb** without residual radio active contamination. These kind of bomb are suspected to be used in the 9/11 of breaking down of the tower and the 3/11 Tohoku Japan big earthquake with coherent tsunami wave devastating Fukushima nuclear plant

https://en.wikipedia.org/wiki/Pure_fusion_weapon

http://whyfiles.org/167new_nukes/3.html

(b) In underground study in USA, there is problem of **earthquake weapon** by scalar wave.

<http://www.777true.net/HAARP-the-Earthquake-Weapon-Mechanism.pdf>

Earthquake weapon using by USA is suspected in

Indonesia

https://en.wikipedia.org/wiki/2004_Indian_Ocean_earthquake_and_tsunami

China,

https://en.wikipedia.org/wiki/2008_Sichuan_earthquake

Haiti,

https://en.wikipedia.org/wiki/2010_Haiti_earthquake

and in **Japan**(2011/3/11).

Many people had been cruelly killed under crashed buildings. Note those nation are many colored peoples.

CHAVEZ AND THE RUSSIAN FLEET: U.S. USED "EARTHQUAKE WEAPON" ON HAITI,

Infowars.com, January 23, 2010

<http://www.infowars.com/chavez-and-the-russian-fleet-u-s-used-earthquake-weapon-on-haiti/>

.....

In 1997, former U.S. Defense Secretary William Cohen made the following statement:

Others [terrorists] are engaging even in an eco-type of terrorism whereby they can alter the climate, set off earthquakes, volcanoes remotely through the use of electromagnetic waves... So there are plenty of ingenious minds out there that are at work finding ways in which they can wreak terror upon other nations...It's real, and that's the reason why we have to intensify our [counterterrorism] efforts.

Did the U.S. Cause Japan Earthquake via Directed Energy Weapon ~ HAARP?

<https://thestarnations.wordpress.com/2011/03/19/did-the-u-s-cause-japan-earthquake-via-directed-energy-weapon-haarp/>

*What you can also see is a constant ULF frequency of 2.5 Hz being recorded by the magnetometer. The ULF **2.5 Hz** frequency is evidence of an induced earthquake.*

HAARP Caused Japan Earthquake : Benjamin Fulford

<http://www.ufo-blogger.com/2011/03/japan-earthquake-tsunami-haarp.html>

(c) **HAARP.NET**

<http://www.haarp.net/>

APPENDIX: Exact information on HAARP, there may be many fake story ?!

<http://www.777true.net/HAARP-the-Earthquake-Weapon-Mechanism.pdf>

- ① The device **HAARP** itself is **ordinal traversal electromagnetic wave** transmitter.
 - $\mathbf{A} = -\mu \mathbf{j}$. <wave equation radiating traversal wave **A** by alternate current **j** >Those **A** can interact only with electrical charges (**electron** and **ions**) toward those dynamics (**electromagnetic dynamics**). In ordinal case, those are **alternating current** excited in radiating target (in antenna).
- ② Most notable phenomena may be so called **plasma oscillation** in **ion sphere**.
This is also a kind of alternate current excited by HAARP radiation.

- ③ If **plasma oscillation** could be **charge density** ρ **alternating**, it can re-radiate **longitudinal scalar (charge density) wave** due to classical electromagnetic theory.

□ $\phi = -\rho / \epsilon$.

Scalar (charge density) wave is alternating **electro-static field** caused by charges and never be lectured in school, but too serious in military and energy technology.

Thus ion sphere could be **strings of music instrument = HARP** which re-radiate awful music = **scalar wave** toward ground where we live. If the playing is too bad to focus on an earthquake hypocenter, which can trigger a disastrous **earthquake**.

*The Apocalypse of St John, Chapter 15-2. And I saw as it were sea of glass mingle with fire, and then that had overcome the beast, and his image, and the number of his name, standing on the sea of glass, having the **harps** of God.*

④ **Coulomb Implosion** by uni-polar high charge density field < **catalyzer effect** >
can break **chemical bonding** < **the weapon mechanism of HAARP** >

As is well known, **stability of matter (chemical bonding)** is due to attractive Coulomb interaction force between electron cloud (e-) and nuclei (Q+). While injecting high density scalar wave toward spot of chemical bonding field can cause **Coulomb Implosion !!!**. It is intercepting interaction force of chemical bonding (field). This can be pseudo force to **destroy earthquake hypocenter to trigger earthquake !!!**.

HAARP is **not energy explosion weapon**, but a chemical catalyzer. This fact could be easily seen by huge energy of earthquake than atomic bomb.

* **uni-polar high charge density field can vanish electrical interaction force.**

<http://www.777true.net/Real-Image-of-quantum-Chemical-Reaction.pdf>

<http://www.777true.net/img0010-General-Analysis-on-Room-Temperature-Nuclear-Fusion.pdf>

That is, matter in the field becomes ensemble of **free particle field** (a kind of chaos due to entire destruction) without chemical bonding the stable order of matter.

⑤ Is it really that HAARP can do **weather modification** ???.

Ordinal weather field is **electrically neutral**, as for which HAARP can not interact.

Cloud with thunder is certainly charged. This is authors opinion.

⑥ HAARP is **the strongest political threatening weapon** toward nations who could be against USA. For an example, a former Japan financial minister once confessed HAARP threatening as for a his policy implementation. Conversion from public to private management on so called **3 Trillion yen fund of Yucho money** was caused by the threatening.

<http://beforeitsnews.com/alternative/2011/03/did-us-nukes-trigger-japan-quake-update-512434.html>

http://www.bibliotecapleyades.net/haarp/esp_HAARP_43.htm

⑦ HAARP is **the strongest political threatening weapon-2.**

It is necessary to constrain Japan energy sector for long years in order not to be against USA. This is amazing article of magazine Zaikai tenbou (2002/11) which had predicted a CIA conspiracy concerning **2011/3/11 HAARP attack on Fukushima nuclear plant.**

「日本の電力事業政策を操る CIA 対日工作の全貌」2012/5/14 読者より

<http://benjaminfulford.typepad.com/benjaminfulford/2012/05/%E8%AA%AD%E8%80%85%E3%82%88%E3%82%8A.html>

月刊誌「財界展望」2002年11月号に看過できない記事が載った。その記事とは「日本の電力事業政策を操る CIA 対日工作の全貌」である。ところで、CIA(米国中央諜報局)はロックフェラー財閥(米国石油資本)の別働隊というわさもある。

なぜなら、ロックフェラー財団は CIA に多額の寄付金を拠出しているからだ。本記事によると、CIA の日本エネルギー事情の調査レポート(2000年2月)には以下のような提言がなされているそうである。「日本の国力をこれ以上強大化させず、かつ将来に渡って反米化させないようにするためには、長期間に渡りエネルギーセクターで、日本に手錠をかけるかのように封じこめておく必要がある。日本の原子力発電は既に電源の3割 以上を占めている。そこで、日本の原子力技術を支配する東京電力のパワーを削いでおくのが効果的である。東電は日本一の資産企業で、経済界、財界をリード する有力企業である。また、国民からの信頼も厚い。日本の核武装化を阻止するには、東電の信用を失墜させ、凋落させることにより原子力発電技術開発を大幅 に遅らせる必要がある。

⑧ **HAARP must be globally sued to UN security committee !!!.**

It is very curious that many had known the deadly HAARP fact,while none will accuse in global public.It is quite similar with climate crisis, as for which many had known the deadly fact,while none will act .It is **insensitive for big injustice**,which was experimented and developed in **the 9/11** by CIA-special military troop in USA. .

- ① Person responsible for political **lawsuit on HAARP** is rather ignorant on the scientific mechanism of HAARP.
- ② Engineer and scientist could understand the mechanism,however also most of them are now not sufficient expert to lawsuit on HAARP. Author call for them to examine and verify what author have revealed on HAARP.Government must support the action.
- ③ Thereby,both must be meet to establish emergent agreement for **lawsuit on HAARP**. It is evident war criminals against humanity.

Postscript on HAARP:

If author could get full design principle of HAARP,he could make HAARP,but not at now!.
To tell from very beginning,,**where is exact target position of earthquake hypocenter ?**.
If we could see it,the method could be **earthquake prediction**-itself.A possibility is charge density radiation from hypo center,which could be detected and searched by **charge sensitive antenna network**.HARRP is a kind of radar and has **scanning ability** toward **target region** about which have already been known.Another notable method is **2.5Hz** of **global resonance frequency** at **target spot** by stimulating **opposit position**.
