

Dear all Passengers in the Deadly Climate Train.

2014-6-21

There is a possibility of the salvation.,however,nothing scientists declaration on deadly climate facts has been intercepting.

In the climate scientist world,there has **substantially** been a **desperate ruling by silent**. That is,no possibility of salvation on the climate collapse which has been becoming more visible for everyone day by day.In fact,there had been tremendous debates on climate change,but nothing substantial effective implementations against climate collapse in the world at now.The now world has substantially been entirely **business as usual**.

However,due to recent authors research,the fact is revealed upside down..

First of all,diagnosis on the climate by the IPCC has **many fatal failures**.

And also salvation technology such as **Arctic Cooling** and **Less Carbon Energy Life** is highly **possible**.Those evidences would be confirmed following webpages.

<<Now those webpages may be incomplete due to inability of author,however which could be improved by all of you !!!>

Cerertainly those actual impelentation would be outrageously tough works!!!,

however coming climate hell world is far more outrageously cruel than anything else !!!!!. Now massive people has been neglecting decisive fatal fact of the latter by

massive strong and synchronous delusion in ensemble by temporal prosperity(but now decaying)and by frequent local disputes in the massive oil consumption civilization.

This is nothing, but insidious global conspiracy toward mass extinction(**operation EndGame**)by **the minor global haughty oligarchy** who has been worry only on conserving now regime of own global hegemony.

Revolution is more terrible than defeating war.

Those who follow heavenly intention do politics by righteous,while who against do politics by forcing.....<Mozi, ancient Chinese philosopher and strategist>.

For the New World Order, a world government is just the beginning. Once in place they can engage their plan to exterminate 80% of the world's population, while enabling the "elites" to live forever with the aid of advanced technology. For the first time, crusading filmmaker ALEX JONES reveals their secret plan for humanity's extermination: Operation End Game.

The holy scripture has been warning **injustice of mankind** for thousands years in order to realize massive peoples **repentance toward righteous**..Now era is certainly nothing, but **the final judgment !!!**.

Note author will not intend to express own opinion, but revealed messages derived by **scientific methods** and by **the holy scripture**. At least, he has been trying to do so, because an opinion sometimes could not be true.

Thereby your task is to **confirm the facts and make plan for the co-operational actions**.

PS: By the rightists radical in USA, **the false flag wars** has been accelerating as **deadly idling global policy actions go on** in order to hide the imminent inconvenient facts.

The **deadly idling global policy actions** has been entirely consuming

extremely precious times for the emergent salvation !!! .

Recent Ukraine had gained some stability, while the Middle East once again is going to fire, which is entirely conspiracy at all by **the desperate rightists radical in USA**. It is none, but the American who could intercept the unrighteous and change the deadly world. If the American wish, author will do anything he could.
