Earthquake weapon by electromagnetic wave??.While,many can understand earthquake by strong **underground bomb** explosion,yes,such weapon attacked by **sea floor explosion**, actually employed **2011/3/11** the Big Earthquake in north-east Japan **destroying Fukushima NPs**.

### The Hidden,but understandable Mechanism of Matter **Implosion** by **Electrostatic Wave**.

(a)molecular are bonded by **electrostatic force(=ES)**,so destroying ES can be earthquake!

(b)Traveling ES wave= $\phi$  is radiated by alternate charge density= $\rho \dots \square \phi = - \rho / \epsilon$ .

This is wave equation established by electromagnetic theory,note **ion sphere** are charge field.

(c)**HAARP** is strong EM beam radiator stimulating AC charge in ion sphere to radiate  $\phi$  (**ESW**).

(d)Traveling  $\phi$  toward earthquake **epicenter** causes its implosion **triggering land slide**.

this is entirely same mode of natural earthquake triggered by **epicenter collapse**.

☞ : ordinal EM wave is strongly attenuated in underground or seafloor,while **ESW is not !!**

☞ : possible epicenter position has previously been detected by many past experiences.

Author is expert on ESW(B wave or scalar,charge density one),but not on HAARP itself. .

However,following facts were derived<these are expert oriented reports toward **reexamination**>

### Charge Alternating by Plasma Oscillation Resonance

**Now author warn the electric power Co shut them down the power !!**

\* [View from ion sphere far from MU position,it seems a spot,so radiation is spherical wave.](#)

the fact is upside down,it's strong beam of plane wave to modulate charge density= $\rho$ . $\rightarrow \square \phi = -\rho / \epsilon$ .

they had become to reject tel discussion on what author's wish the kernel of destroying epicenter by **charge density wave(ESW)**.At that time,author requested also observer of parliamentarians.Kyoto university also hide the completion of elementary particle theory=a big waste of national money.

[2]:**The Invisible Outlaw Crimes against Japanese Activists after the war.**

At 1<sup>st</sup>,you should see below,in which,**the lawless group with lawless police** are discussed.

**APPENDIX\_2:Japan Ruling Structure the Coarsely Estimated Overview.**

②**Lawless Political Terror for defending US outlaw profits by their outlaw ruling.**

Those were all **political terror** against **anti-US** politician,journalists,public officers,and activists in general by violence agents of Japanese Korean(JK),ultra rightists,JCP members of special task,etc.JCP=Japan Communist Party.All of those are caused by will of USOM.

(1)**The Asahi Shimbun Hanshin branch office shooting incident** was released by the police despite detection of the culprit due to intercepting by the CIA executive agency = Unification Church related to Japanese political manipulation. At that time, the Asahi and the Unification Church were strongly against each other!! .

(2)**The Hidden Political -Journal Assassination without Punishment.**

*Political maneuvering by employing hatred motives is a common practice in the world of espionage.This is a universal human problem that can be seen in Nazis, Israel, the Middle East, Eastern Europe,South America, and Asia.*

<US secretly employ JK terrorists who are really outlaws(no punishment)>.

On the entirely contrary,in now Japan,they has been being suffered by the absurd ruling of US military occupation due to their deadly illegal crimes with invisible Korean subs.They has entirely been searching Japanese non favorable against the absurd and brutal US ruling. Assassinations against voicing opposition to US military bases.Japan has a lot of unsolved criminal case in politics and media incidents,Many KJ engage gangster criminal organization due to legal preferential KJ.

**Definitive proof of privilege for Koreans in Japan! !**

**Summary of the privileges of "Koreans in Japan"**

<https://ccce.web.fc2.com/zt.html>

Ordinary foreigners living in Japan are forced to return to their home country after being sentenced if they commit a serious crime. However KJ are not, but except for some special cases such as crimes related to civil war, to foreign affairs, to diplomatic relations, those who have been sentenced to imprisonment or worse for crimes against foreign heads of state, diplomatic missions, or their embassies, KJ will be released to the general public. *This is the only extrajudicial privilege in the world.*

**(3) Kasumigaseki Religious Cult Aumu Shinrikyo Sarin Crime 1995**

According to article by Takashi Tachibana (Bunshun) taught by a police official to author, the police operated the internal spies and were familiar with Ohm's actions. They had known coming terrific poison terror, but allowed their unprecedented crime. The victims were terrific, later the Commissioner of the National Police Agency, T. Kunimatsu, was shot and the culprit was unknown. It may be that "also I bet similar risk", Six years after the crime, the major event occurred that changed the coming history by 9/11 in US by a religious cult Al Qaeda. Domestic CIA-U.S. Occupation Forces could not be ignorant of such crime. From the standpoint of them with Japan police, the story may be upside down. Asahara's master is the top of Agonshu, and judging from his master's career, a member of "the police friend's society"? In this crime, there is a story that the poison Soman was also sprayed, which even  $\Omega$  himself tilted his head. A political offenders may be previously monitored by the police in advance of the incident. Are Yamagami-Kimura the same? ! !

\*Nazi CIA's hidden maximum doctrine is atheism, therefore  $\Omega$ , the Unification Church and the crime of religious camouflage are endless. The ruling party, Liberal Democratic one is US maneuvering political machine, the religious cult the Soka Gakkai Komeito is also the same,

**(4) Yamagami shot Blank Gun to exPM Abe** in order to expose the outrageous outlaw crime of the unification church (CIA), the foundation was deeply supported by J. Korena Abe family. Yamagami's coming trial could alter the future of Japan depending on how it unfolds. Both Abe and Kishida are at Korean CIA core for Japan's control, and if Yamagami's blank gun is proven, the Abe Kishida W-U.S. agent structure may be collapsed. Therefore, judicial authorities and defense attorneys must ensure there is no injustice in detention and interrogation for him. ③**Lawless Political Police Suppression** invisibly organized in nation wide..

Author may be a prisoner of Yokosuka Guantanamo Base,thereby,he can observe their behavior with Japan police(JP),with Japanese Korean(JL),with Japanese communist(JC).

(1)**Organization by Tax the strongly corrupted upside down society in Japan.**

Also he guess being of strong,but unknown hierarchical organization enabling unified order by USOM the top commander in occupied Japan.Now everybody know strong hierarchical commanding system of police(military=self defence force=SDF) ,and central-district public officer society,in there,none can deny ordering by higher class.**Now they(public officer by tax)are strong fascism ruling system by USMO.**They are not servant of nation people the strong tax payers,which cause upside down cursed nation Japan.

(2)**Organization the Taxpayers without Samurai?.**

Then how about major None Government Organization **business and city-town-village life society?**.Business could be many variety,however **major enterprise are bureaucratic**, while many small company(the major part in Japan) under the rule of them may be not so free.The many subcontractor company's death or alive was ruled by the higher hierarchy. By anyhow,any entrepreneurs seem **very nervous for political affair**,thereby they entirely try to follow the major opinion annouced by the few established media the supreme corrupted, and by the supreme corrupted J-Police.

\*Samurai in battle field nation era.

They are always facing on his death or alive,so they are very rational in management and brave in decision to act.Some were good at even foreign affairs in the great navigation era world.Now it is very hard to find samurai in Japan.For long in nation wide,,now invisible degradation education has been going on.

<https://www.youtube.com/watch?v=9L6xCQ7GCD4>

(3)**nation people living in each area with police monitoring.**

(a)For conserving established regime in election,more than 50% people is kept not poor, while near 50% people had become poor by non-regular employment **once illegal**.The latter are without labor union,reliable opposition political party,That is,**divide and rule !!**

(b)In each area,not poor person become leader connecting with police.

Invisible,but conservative group is working on ,with police intention.

(c)Even as though,it is not that people are all the sheep,for an example,it is told anti-military base activist encountered heat attack to die in Yokosuka the US 7<sup>th</sup> fleet base..

(d)In half of southern district in Japan island(Kansai,Kyushu),it is told people are able ambitious(similar with Chinese personality?),thereby,invisibly J.Korean the agent ruling has been invading on there.A typical example may be emerging PM Kishida from Hiroshima.

(4) **Tokyo University(TU) Law Faculty graduates ruling has been destroying Japan on**  
<~skull & bonds in Yale university?>.

(a) **Nazi Pensee conspiracy theory:** *In order to establish puppet operating politics, make a leader with personality of ambitious, but corrupted,*

(b) Top remarkable personality of TU graduates is their strong obsession for must be No1 position in his working field. It is an ambitious to be a top leader in the field. **Their task is enabling stupid enough for us Japanese, but perpetual profiting machine for US.**

They has been too diligently working on fatal errors to destroy Japan.

In USOM autocrat ruling Japan, **TU top elite's top job is following illegal evil order by US,** Those are evident against the international law inhibiting intervention to domestic matter. As for those top serious problem, they say, they also follow the **US-Japan status treaty.**

\*) This is against UN charter law **ratified both US and Japan.**

\*) **2625 (XXV). Declaration on Principles of International Law concerning Friendly Relations and Co-operation among States in accordance with the Charter of the United Nations**  
<http://www.un-documents.net/a25r2625.htm>

*The duty not to intervene in matters within the domestic jurisdiction of any State, i*

Thus they substantially had become too serious criminal against national profit for long.

(c) **A highest status person who face his decline become Satan <Al Quran>.**

This is a story, A criminal can not evade facing their accuser.

This may be unknown in wide?, but the most serious problem of the world history.

Both the Bible and Al Quran's the 1<sup>st</sup> task may be facing this problem <Class Struggle by Marx>. As was mentioned in above, J-Police ruled by TU graduates has been working on for lawless deeds, so it is inevitable to face their status decline by disclosing crime by **accuser** on their serious crimes destroying nation. This can not be authors illusion, but imminent fact on which now he has been facing in the real times. For these decades, everyday in his life, he faced outlaw deeds. Even as though, entirely nothing criminal arrest!. Not only he, in his neighbor area, there are many suspicious enough events, lost friends, money.

(d) Awful envy deeds against colleague Japanese,

*By anyhow, we must be No 1 position, so such they can not be allowed*

(e) **Top Power in Money.**

It is entirely upside down world, that the TU graduate had destroyed the fundamental function of the central bank by terrible wasting about 400 trillion yen/10 years,

<http://777true.net/The-Journalism-Academism-the-Upside-Down.pdf>

This enable stupid financial perpetual motion machine? by stable difference of merit between Japan and US. Above all, limitless money supply insure coming **hyper inflation** destroying Japan.

(f) **THE CONCLUSION <5/3 is memorial day of the Constitution!!>:**

TU law faculty must teach graduates to obey the law and the request of tax payers.

Then they could simply turn to hero in new Japan, who had accomplished the revolution..

**Not No1, but HERO the Japan Savior !!**

HAARP radiating EM wave and reradiated ESW must be perpendicular at ion sphere. at about 300km height.

\* some details related with HAARP <big correction 20235/13>.

Into going EMW and outgoing ESW are certainly perpendicular with each other.

Then note EMW refracts downward to ground at a height in ion sphere.

① Path Geometry of HAARP radiating EMW and reradiated ESW.

\*EMW=ElectroMagnetic wave,,ESW=ElectroStatic Wave.

☞ : HAARP is not movable device, so the upper limit  $L_T$  limits possible attacking area.

Small  $\theta$  can make  $L_T$  longer, while attenuation EMW becomes stronger in ion sphere.

② Ion sphere refraction height with electron density <  $\rho = (f_H/0.9)^2$  >.

Low density molecular in ion sphere become ion by charge separation between +charged nuclei and negative charge of electron by strong irradiation from sun. As the consequence, electron density coarsely depends on height,

The 3/11 was mainly damaged by **Tsunami wave synthesized** by sea floor small atomic bombs,however **in order to hide it**,advanced HAARP earthquake attacked the region.

Earthquake by underground or sea floor explosion and natural one are clearly discriminated by seismic wave pattern.**Initial amplitude is maximum in explosion**,while natural is not.Note HAARP earthquake seismic wave is entirely the same with natural one.

Both are generated by **very slow pace epicenter collapse to trigger landslide**.

Also landslide to **final stratum collision** explosion takes slow pace to few days to few weeks(or more for large earthquake).

Because,they has been exploiting also US themselves by their strong wealth power.

However, one of the strategies is to secure a safe refuge abroad, and Japan without the US military's tyranny could be it.Once Japan had accomplished peace time nation without war for 260years long by the Samurai power.However,now the world has been facing the extinction risk.

As for it,above all,establishing peace time of the world is the **urgent highest priority task**.Also

## **APPENDIX\_5:Response?!!! against this report by the EQ Weapon Betrayers in Japan.**

Also author is a political threatening target by EQ weapon operated by the betrayers.

Due to the attacks,the victims and the economical damages are serious enough.

The nation people must opt **the Nation Independent,or not**(they are allowed to kill author).

### **[ 1 ]:The Events Time Series,**

(1)Recent times,author had been accusing Kyoto University as for the injustice and wasting research in elementary particle theory.They rejected *Yes or No* 3-simple,but strong questions on exposing the fact,They also developed and is operating MU radar the HAARP. He also reported the fact to the education minister in the Kishida government.

(2)G7 meeting is to be held 5/19 in Hiroshima Japan,where PM Kishida was elected.

Author sometimes requested them to **expose the fact turning the world destiny.**

[http://777true.net/Shut-Down-MU-the-Power\\_2.pdf](http://777true.net/Shut-Down-MU-the-Power_2.pdf)

At that time,author engaged in analyzing possibility on nation wide total default.

The idea shall be sold to the Bank of Japan with more than deadly 1000trillion debt.

The most damaged is Suzu city(a local city with older people),while authors name is Suzuki,

In NHK's EQ breaking news on there,'they repeated same contents for half hour.

(5)2023/5/5-6:sleepless 2 nights of author by the JK neighborer noise intervention

The lawless police ignored the evident crime by neglecting his security request.

\* Recent times,authors health condition is not good,but the works is possible. His poverty is due to the 30 years(1993) long economical suppression by US.The Biden presidency must do justice !!

<http://www.777true.net/Troublesome-Illusion-of-Elementary-Particle-Physics.pdf>

(6)2023/5/11EQ{**M5.2**} attacked south Chiba near Tokyo.

This EQ attacked also author-himself, but with no damage(2).Tokyo people were all shocked(psycho operation).Luckily,the damage seemed not so serious.

(7)023/5/13:16:10\_EQ(**M5.1**)attacked Sea near the Tokara Islands.

Author is now writing this report.The damage is not reported at this times.

<https://emergency-weather.yahoo.co.jp/weather/jp/earthquake/20230513161031/>

They could operate EQ weapon,**however they can not turn all the Nation People their enemy.**

So they attack almost local area(far from Tokyo)with less population,but not more one.

This is a insidious **pseudo private war** caused by the betrayers of NAZIS USA.

Japan criminal law clearly ban such treason<Article 81,82 of the Penal Code>

Note US and.....has been repeatedly accusing Russia's **lawless invasion** Ukraine.

But it is them who has been substantially lawless against the world.

**[ 2 ]:Exposing the Facts could Turn and Unite the World ?!!!.**

*In a Time of Universal Deceit—Telling the Truth Is a Revolutionary Act....G.Orwell.*

*“If the world is upside down the way it is now, wouldn't we have to turn it over to get it to stand up straight?”....Eduardo Galeano,..... <http://upside-down-world.org/>*

**(1)An Independent & Peace could Accomplish a Stable Way of Life in any Races !!!.**

Revealing the truth about the current state of Japan is a shameful content that shows their incompetence, but looking back on history, they achieved a record 260 years of peace times without war. The content was intense exploitation and poverty in production technology, and not everyone was rich. However, Westerners who came to Japan at the starting point of modernization Japan, where the peace formed a single culture and a basic spirit of the nation people, were surprised at the heterogeneity that they did not have. Although they were poor, they lived in not dirty, but simple and naive life without illiteracy due to an elementary personal education system **for all people..**

**(2)Continental People have been Plagued by Perpetual Cross Border Wars.**

Their strong logic of action is to deal harshly with those who oppose them, take great care of those who become support allies. This is very reasonable. Then you could see that as for a lonely top ruler (the exploiter), **almost the people seem potential opposer !!!**. This is the origin of **Class Struggle** (K.Marx), which had already been recognized by Ancient Jew People <Moses with the follower who were against Tyranny of the Egyptian Monarchy>. They were revealed new concept of Religion as for coping with human-themselves, while former Religion is told as for coping with the nature. Thus they became decisive enemy of the European Nobility (American the Wealthiest).

*Christian religion intended political revolution, but turned moral teach by their defeat. ....J.W.Goethe.*

NAZIS was established in order to destroy Jew by the wealthy American Autocrat. Defeated NAZI person with technology was secretly imported to US establishing CIA-military industry complex, who had invisibly conquered almost the world now.

**(3)Once again, Time has Come to Defeat NAZIS by GLOBAL UNITE with the Fact.**

Recent years outrageous and unprecedented disasters damaging massive global people was caused by NAZIS USA (also American themselves became big victims). The increasing victims could not be stopped, but would prolong for the time being, **unless we can settle.**

This fact was predictable due to their cursed ideology {*people and nation are those who are exploited by nobility supremacy, set an enemy to keep perpetual hegemony struggle*}.

\* **HEGEL AND TOTALITARIANISM THE CULT OF STATE POWER**

<http://www.worldfuturefund.org/wffmaster/Reading/Quotes/hegelnew.htm>

They are wreaking havoc and disaster all over the world. Such outrageous insidious enough secrets can not be concealed for long, but many evidences had been revealed at now.

Author could not help to warn that global people at now are almost **illiteracy on the deadly fact**. Once we had overcome the cause, we could win by global unite with the truth.
