

-Recognition on the World and Leadership Cheking List-

2011/7/2

You should examine each items,and ask your leaders for these.

①Recognition methodolgy

these	anti-these
(1)judging true or false from the very original principle. truth iitself dose not depned on major opinion.	judging true or false by the major opinions
(2)incoming information always has both possibility of true or false	disobedience for major opinion make inconveniences and troubles
(3)guessing future by logical prediction	guessing future by past experiences

②Recognition on the World

(1)recognition of own(nation) status in the world system in historical process.Without international cooperation,we could not be saved.	by anyhow,own and domestic problem is the 1st of all
(2) hegemonism dynamics (conspiracy theory) due to few hereditary family's global tyranny. Unless,they shall do suicide with the world	History is due to temporal affair with accidents Elected democratic leaders conduct history. Mass media camouflages their tyranny.
(3) Religion vs anti-Religion leads history. Genuine science affirms religion.	Temporal political-economical motive leads history. Popular science is anti-Religion.
(4)Established economy is pseudo for the status quo profit. Debt Sum = Monetary Asset Sum. No debt deduction without deduction of wealthy.	Admitting it would cause wealthy's decline, so they hide it by bribery for information elites
(5) Climate Change Crisis(CCC) would be decisive for lives. Unless emergent CO2 vast reduction,global livellhood would encounter serious crisis. At now and last, Methane Catastrophe would become fatal. Global citizen must become soldier against CCC.→(10).	Overwhelm momentum of now life way is impossible without massive oil and coal.Now global operation on hiding and neglecting the inconvenient facts is going on
(6)The current civilization is unprecedented and fatal mistakes having been Causing Own Extinction.	Admitting this is to deny overwhelm momentum of now life way.
(7)Roughly to tell,only agriculture would be substantial hereafter.	Without industry and commerce,overwhelm momentum of now life way is impossible
(8)After all,only truth-justice could enable sound orders. Contradiction(lie-injustice) is to cause catastrophe at last.	The fittest surviving struggles(eugenic) is a reality. Inconvenient facts must be suppressed.
(9)After all, Recognition Revolution = World One.	single minded strategy of conserving status-quo by anti-communism
(10) National(World)Family Economics All income goes to house wife and all family are redistributed by their needs. By anyhow,they could at least eat in global peace .	single minded strategy for conserving status quo with accelating global contradictions(discriminating the weak from the strong) toward final global war(operation ENDGAME)

☞ : The anti-these world has been terribly **delusional state** by massive material life appetite,so whether they could turn or not would be tipping point to rescue.This litmus paper could reveal good or wrong of leaders ideology as for future rescue.
