

## Israel is revealed to have substantially been defeated, which could turn to Simultaneous **Liberation of Palestine & Israel.**

Just as Einstein warned, the illegal Israeli occupation state system will not work good. The state of Israelis is that they are *Babylonian captivity* the in modern-day by evil DS the war keeping regime. An unexpected, but hidden Iranian victory and the collapse of Israel could turn to the reveal both Palestinians and Israelis from the captivity. 2025/6/30

Reason why the general world commentary is incomplete is they ignore the deadly fact that climate change is causing despair. The coronavirus and the frequent outbreaks of war since 2020 are **all smokescreen plots by the US DS <Germanic aristocracy>**, so their strategic goal is not to settle the political situation, but to steadily increase chaos.

25:05 It's based on religious fanaticism and is deliberately trying to bring about the end of the world.

He once gained support through anti-DS, TACO= *Trump Always Chickens Out*. The US peace announcement after the bombing US base was actually a victory for Iran, and US President recognized the substantial defeat, so TACO was the courageous right answer.

**[1]: Israel now is revealed to have substantially been defeated.**

Key economic and research sites, including the Microsoft headquarters and the Weizmann Institute, were also badly hit, undermining Israel's high-tech and scientific sectors. The result is immediate physical and financial damage, but more seriously, a lasting blow to investor confidence and Israel's reputation for security and stability—*

The DS ruling pattern of other countries is to "make individuals with corrupt elements and manipulate them." **[2]: The Actual Evils behind the scenes is DS,very sinister and cruel  
German aristocrat hereditary<German American, Nordic>.**

The world may be now caught up in the online missile attacks of Iran and Israel, but the real enemy of the world is plotting to pull the world to hell in an unseen place, so don't be fooled.

(1)**Extremely sinister and malicious DS Germanic elite(the chosen people)**

*Bilderberg super-rich and aristocratic hereditary ruling club = DS,*

<https://www.globalresearch.ca/the-true-story-of-the-bilderberg-group-and-what-they-may-be-planning-now/13808s>

(2)**Great Jew has been being hated by Germanic aristocrat hereditary class.**

The Great Class War 1914-1918<many kingdom regime were collapsed>.After World War I, above-mentioned hereditary aristocrats became fear for own status collapse and plotted to established the Nazi Party and annihilate the Jews. They also plotted the illegal creation of the State of Israel.Jew were the outstanding great religion race of **class struggle** in long mankind history. Therefore operated **NAZIS**(the origin of **DS**)hated them to have caused the horrible **Holocaust** and forced to have established **the illegal Israel**.The perpetual conflict at there were originally conspired by who hate religion and class struggle.

(3)***Trump's Jews***

<https://www.tabletmag.com/sections/news/articles/trumps-jews>

*The president has Jewish family members and friends. Here's who they are.*

(4)**Jewish eschatology and DS Germanic aristocratic chosen people ideology.**

The main players on the front stage now are Trump, Putin, Netanyahu, and Zelensky, all of whom are Jewish.The anti-DS US president initially boasted about an immediate end to the war, but this latest incident has turned him the DS power ?.

After all,the Jews are playing as the villains in the world right now, and the Germanic aristocracy, who are inherently evil, are hiding behind the scenes.

**(5)APPENDIX-1:DS=Deep State=Operation ENDGAME.**

This understanding is essential. The hereditary aristocracy and the super-rich are essentially **thieving and criminal in nature who exploit and defraud work of people**, which is why they are turning the now world into hell with conspiracies to **prevent the hereditary class collapse**. and people of the world should not waste in such nuclear debates of Israel Iran war, but watch them=DS in the behind!!!

☞: Common recognition among military men on the front lines is told that *nuclear weapons cannot actually be used. The reason is that the outcome is too self-evident !!!*

[3]: Now Israelis is Babylonian Captives under DS(US military-industrial complex).

(1) **Babylonian Captivity at now era.**

The Jews who were Babylonian captives in the Old Testament were liberated by the Persians(Iranians). Since then, they have had a long friendly relationship, but this time for the first time, President Netanyahu ha betrayed them by the Iranian invasion.

<https://www.y-history.net/appendix/wh0101-105.html>

Root of the destruction of Middle East peace was **UK Empire's three-tongue diplomacy**,  
<https://solver-story.com/social/1776/>

The US DS Empire continued this destruction system after the war.

..The German spirit of competition and division,

(2) **A dictatorial, totalitarian, militarily overweight state under the ruling by DS.**

Since the end of the war, Israel has been constantly on the brink of war, and without the support of the DS= US military-industrial complex, it is inevitably under their strong fascism control.

1993 Israel-Palestine Agreement and its architect, 1995 Rabin's assassination led to the emergence of far-right ex-military leader Netanyahu (DS president) in 1996. The DS's pattern of ruling other countries is to "create a person with corrupt elements and manipulate him."

Illegal Israel now is actually an Isolated Island on Middle East ,who can not survive without external support by DS(US&EU) to keep **the perpetual wartime regime**, it is no different from prison state<[1]:(1)>.

(3) **Comparison on the war costs:** Will Israel last ..... without aid?

	Iran	Israel
GDP	nominal GDP**: 約 <b>454.0B\$</b> , #29	GDP**: 約 <b>370.6B\$</b> . #34
N Budget	19~20% of GDP 90.3B\$	37~39% of GDP 148.2B\$
Military Cost	~7.4 B\$ USD(8.2%)	46.5b\$(2024.31%) **3.8 billion dollars US aid

(4) **Iran ceasefire due to Israel depletion of ammunition after 2 weeks!!**

**Israel's limit for war is two weeks... Difficulty in costs for air defense network...** 2025/6/21

<https://japan.hani.co.kr/arti/international/53534.html>

Cost of the war is hundreds of millions of dollars a day, at least **\$12 billion** on a month.

<https://www.youtube.com/watch?v=GjJQro04ijs>

0:29 Israel's in a lot of trouble they have probably fired more missiles and dropped more munitions in the last two weeks than uh we can manufacture in two years and so **they're running out** by the way the US military is not in a great position when it comes to missiles either because we've shipped so much to Ukraine and off to Israel

## [4]: **Logic of Israel's dissolution and simultaneous liberation of Israel and Palestine**

### (1) **Israel's decisive Moral Defeat - the world has given up on Israel!!**

The rescue of the Palestinians, who are essentially innocent, is the top priority, but this requires the dissolution of Israel. It was DS Israel that pushed Gaza into a corner and led Hamas to launch a preemptive attack on Israel, and this is also a trap for a world show in which Israel themselves is portrayed as the villain. Now the world strongly sympathize genocide Gaza and justice of Iran, but nothing Israel.

**The sin of today's massacre in Gaza can only be atoned for by the dissolution of Israel.**

### (2) **Israel had substantially self-destructed before Iran War.**

**Now Israel sub-conscious had admit own deep sin.**

**Albert Einstein Praises Zionism, but Opposes Partition of Palestine**, April 17, 1938

<https://israeled.org/timeline/albert-einstein-praises-zionism-but-opposes-partition-of-palestine/#>

*I should much rather see reasonable agreement with the Arabs on the basis of **living together in peace** than the creation of a Jewish state. My awareness of the essential nature of Judaism resists the idea of a Jewish state with borders, an army, and a measure of temporal power, no matter how modest. I am afraid of the inner damage Judaism will sustain—especially from the development of a narrow nationalism within our own ranks, against which we have already had to fight strongly, even without a Jewish state...If external necessity should after all compel us to assume this burden, let us bear it with tact and patience.*

The great physicist had already anticipated and warned the desperate state of Gaza and Israel **at now possible the worst case**. His proposed reasonable agreement between Arabs and Israel is toward their ever lasting co-living. Netanyahu admin had turned to be NAZIS and horribly has been destroying possibility of their reconciliation.

## APPENDIX-1:DS=Deep State=Operation ENDGAME.

### (1)The Over All View.

The now world has been being ruled by the few elites hereditary(*Bilderberg Group*). Their final plan is *global depopulation* to evade class struggle riots by people in facing [climate collapsing world](#).

The essence is simple, but the result is stupid and horrible enough. That is, the very few elites (Rockefeller and UK royal the hereditary family) fear for their top status decline due to coming huger political riots in climate worsened world. To tell for the origin, it was the Oil Emperor who knew climate risk and determined to hide it and had made world toward extinction. 2020 was the turning point to **revolute the world doing against climate** or keep **business as usual** to result climate more worsened world.

### (2)**Bilderberg Group**<Rockefeller & UK royal=the top commander of Deep State(DS)>.

After world war the 1<sup>st</sup>, many kingdom nations corrupted(class struggle). Therefore, [Rockefeller supported NAZIS establishment](#) to purge Jews the religious and class struggle race, then the defeated Nazi person and technology was secretly imported to USA([operation paper clip](#)) to establish the [Military industry Complex](#) with CIA(Deep State=DS). After all at now, most of the nations in the world has been secretly being ruled by DS employing secret mappet elites([operation Condor](#), [operation Gladio](#),,,,,,,)

☞ : Recent many US people became known evil [DS](#) and in 2015, Trump presidency declared anti DS and launched many revolutionary policy aiming to destroy the economy base of DS(the global established regime) by caring and compromising with Wall street. Thereby people not noticing evil DS were to hate their unusual upside down policies such as high trade tax, purging federal bureaucrats,...causing high prices toward recession(2nd Great Depression).
