<http://777true.net/A-Possible-Worst-Case-Time-Series-toward-Glacial-Extinction.pdf>

In fact, climate health recovering had become almost difficult at now the condition had terribly had become worse. However it can no be told 100% impossible, but by urgent and strong global forcing policy implementation with dangerous climate geo-engineering (such insolation shut down by albedo managing by clouds making).

<http://www.777true.net/Blocking-Nares-Strait-Gate-to-Intercept-Methane-Catastrophe.pdf>

Very coarsely telling, **technology may be possible**, but **global political consensus has been terribly difficult** even by having become evident enough on climate worsening.

.....This is incompetency of now mankind who can not make a genuine leader of savor.

The defeated Nazis was reincarnated in USA as CIA-military industry complex who had accomplished almost global ruling by not weapon war, but by well designed conspiracy of secretly ruling each nation leaders as CIA agents. Even Russia and China are not the exception.

Then time had come when heat and cold climate waves attack many nations toward extinction days (2039).

Establishing Nazis Germany was founded by American capitalist. The purpose was destroying their enemy Jew the class struggling religious race. The collapsing of many monarchy nations after the world war the 1st was considered their secret operations.

⑥ After all, What is Necessary at Now ?!!.

Especially note this world has substantially been being ruled by **absolutely few family**, however their power can influence **almost over the world** by aids of their faithful **subordinates** in each nation. They are called *politician, bureaucrat, police, judic and entrepreneur (united global NAZIS)* the so called elites who are raised in not poor home. Thereby they trusted rich father and established power without any doubts ?!!, thereby they lost ability to reform something wrong. Note leftists has no will to establish something self running, but depend power underhandedly giving them. **In a word, they are almost non sympathetic children who can not revolve this crooked and dangerous enough world.**

Thereby only many united awaken young now in poverty, or difficulty could overturn this infant world. Then responsible and affordable elder must support them. It might be not

necessary of established education with many fatal errors,hidden truth,,but logic(the kernel)with the derivative subjects(math,physics,economy,history) in 777true.net. They could become blessed mankind by establishing communicative and executive global network system toward coming liberated world.

The Art of War by Sun Tzu

<https://jamesclear.com/book-summaries/the-art-of-war>

"If you know the enemy and know yourself, you need not fear the result of a hundred battles. If you know yourself, but not the enemy, for every victory gained you will also suffer a defeat. If you know neither the enemy nor yourself, you will succumb in every battle. "

"The principle on which to manage an army is to set up one standard of courage which all must reach. "

In respect of military method, we have, firstly, Measurement; secondly, Estimation of quantity; thirdly, Calculation; fourthly, Balancing of chances; fifthly, Victory. #

The Bible,Ephesians. <http://www.bibleetnombres.online.fr/biblekjv/ephesian.htm>

6:12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.6:13 Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.6:14 Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;6:15 And your feet shod with the preparation of the gospel of peace;6:16 Above all, taking the shield of faith, wherewith ye shall be able to quench all the fiery darts of the wicked.

As a result is outrageous upside down of useless, absurd, and tragic war of hatred between religious peoples who teach brotherhood.Then what will the world think of when they see these , A religion is harmful!? Who is secretly gloating?!

(1) Jews - Judaism & Christianity and Class Struggle.

The liberation of slaves by Moses under Egyptian tyranny is a religious class struggle, Christianity is the teaching of world democracy,

The French Revolution against monarchy, and the American War of Independence, which France supported and won, were also class struggles, and K. Marx's class struggle was openly declared as the liberation of the working class without capital monopoly and exploitation. The Nazis were founded by American capital with the purpose of annihilation of the Jews, and they lost the war,however secretly reincarnated in the US after the war by smuggling them in <CIA military-industrial complex>, and they succeeded to essentially dominated the post-war world with an invisible war.

The root cause of the masses' difficulties in the modern era is Rockefeller - UK royal family's Bilderberg anti-class struggle global line! .

The Khazar Kingdom became a "converted Jewish state" unprecedented in the world history due to King Obadiah's national reforms (799-809).

☞; There are various opinions about the Khazar secrets, but in light of the results, the author has adopted the above.

(3)Islamic Arabs and Jews have long been friendly with each other, originating from the same monotheistic religion, but the friendship began to break down when the British forced the establishment of Israel through deception and three-faced talk. After the British, the US took over.
